Advanced Legal &
Professional Studies Academy

Lugano · Switzerland

Introduction LEADING IN A NEW ERA

At the forefront of executive education, **ALPS Academy**, a Swiss executive education school based in Lugano, stands as a distinguished global hub in Switzerland, renowned for its commitment to fostering invaluable business connections and delivering cutting-edge learning experiences. Since its inception, ALPS Academy has proudly welcomed participants from over 12 countries, cultivating a diverse and influential network of leaders. We specialize in crafting programs that not only impart critical knowledge but also inspire transformative leadership and drive real-world impact across various sectors.

The global landscape is rapidly evolving, with **Environmental, Social, and Governance (ESG)** factors now central to strategic decision-making, risk management, and long-term value creation. For senior executives, legal professionals, and public authorities, understanding and integrating ESG is no longer optional—it is an imperative for sustainable success and responsible leadership.

The **Executive ESG Leadership Programme** offers an unparalleled opportunity to engage with and upskill on these critical topics. This intensive 5-day experience is meticulously crafted to equip you with the advanced knowledge, strategic insights, and global network needed to lead the next generation of ESG.

THE *Unparalleled* LEARNING ENVIRONMENT: LUGANO, TICINO, AND SWITZERLAND

Your journey into advanced ESG leadership begins in one of the world's most captivating and strategically significant locations.

Lugano

A gem of Switzerland nestled on the shores of its pristine lake, surrounded by majestic mountains, Lugano offers a unique blend of natural beauty and vibrant cultural life. Known for its sophisticated atmosphere, Mediterranean flair, and Swiss efficiency, Lugano provides an inspiring and tranquil setting conducive to deep learning and reflection. Its strategic location in the heart of Europe, only 1 hour away from the city of Milan, Malpensa and Linate airports makes it an accessible and desirable destination for global leaders.

The Canton of Ticino

Where cultures converge, Ticino, Switzerland's Italian-speaking canton, is a region of captivating contrasts. Here, the precision and stability of Switzerland seamlessly blend with the warmth and artistic spirit of Italy. This unique cultural fusion creates an enriching environment, offering participants not just a program, but an immersive experience that broadens perspectives beyond the classroom.

Switzerland

As your host nation, Switzerland embodies excellence, stability, and unparalleled natural splendor. Renowned for its innovation, high quality of life, and commitment to sustainability, Switzerland provides the perfect backdrop for a program focused on future-proof leadership. This is more than just a course; it's an opportunity to immerse yourself in a country that consistently sets global standards.

A HISTORIC VENUE: *Villa* **NEGRONI**

Your educational experience will unfold within the venerable walls of Villa Negroni, a magnificent 18th-century palace that stands as a testament to history and grandeur.

A Palace Steeped in History

Villa Negroni is not merely a venue; it is a living piece of history. This architectural masterpiece has served as the former home to some of the most iconic figures in world history, including the legendary composer Giuseppe Verdi and the revolutionary Giuseppe Garibaldi. Imagine walking the same halls and drawing inspiration from the very spaces that once hosted such profound minds.

An Inspiring Setting for Transformative Learning

Studying in a palace of this caliber offers a truly unique and inspiring experience. The opulent surroundings, rich historical resonance, and serene ambiance of Villa Negroni provide an unparalleled environment for focused learning, critical thinking, and collaborative dialogue. It is an experience that transcends traditional education, fostering an atmosphere where ideas flourish and connections deepen.

EXCLUSIVE FACULTY & UNRIVALED *Expertise*

The Executive ESG Leadership Programme is distinguished by its access to unparalleled expertise, led by the very architects of the ESG movement.

Paul Clements-Hunt

The Creator of ESG. We are immensely proud to offer you the unique opportunity to study directly with Paul Clements-Hunt, the visionary who coined the term “ESG.” As the former Head of the United Nations Environment Program Finance Initiative and Founder of The Blended Capital Group, Paul Clements-Hunt is widely recognized as the world’s most important authority on the topic. His direct insights, foundational knowledge, and forward-thinking perspectives are simply unmatched, offering participants a truly exclusive learning experience.

Jennifer Nadel

Jennifer Nadel is a transformational leader, author, and award-winning journalist. A qualified barrister, she is a pioneer in the emerging field of compassionate leadership and politics. She is the Director of Compassionate Politics at Stanford University’s Center for Compassion and Altruism Research and Education and co-founder of the UK think tank, Compassion in Politics. With over 30 years of experience, Nadel has worked as a journalist for the BBC, Channel Four News, and ITN, where she was one of the UK’s most senior female television correspondents and Home Affairs Editor.

Joshua Domb

Joshua Domb is the founder of Gen-R Law - a climate and ESG focused law firm. Joshua advises clients on matters across the spectrum of ESG issues, with a particular focus on greenwashing, supply chain risk, human rights and modern slavery, the integration of ESG into business operations, ESG and climate literacy training and sustainability reporting. Joshua leverages his background in White-Collar Crime and corporate governance to ensure participants gain a robust understanding of the legal, regulatory and practical implications of ESG in today’s complex legal landscape.

STRATEGIC NETWORKING FOR GLOBAL *Leaders*
